AUTHORIZATION TO RECEIVE E-MAILS

Dear Patient,

Conceptions would like to ensure you have the tools, education, and latest information to help create your family. For that reason, Conceptions has started an e-mail marketing campaign. This will help us establish a regular and ongoing line of communication with you. As a part of our e-mail campaign, you would receive our newsletter and announcements.

We all get so many unwanted e-mails and spam; therefore, we will need your authorization to send you our e-mails. If at any time you would like to opt out or unsubscribe, we will provide you with a link to do so. We will also provide you with a link to view as a webpage, if for some reason you are not able to view through your e-mail.
